LIFE IN RUSSIA. SER. II.

**Cossack Rough-Riders.** The Cossacks, those rough-and-ready soldiers whose services are so invaluable to the Russian Army, are among the finest riders in the world. Fearless and possessed of great agility, they perform marvellous feats of horsemanship. To stand in the saddle, sometimes upside down, and to pick up small objects from the ground at full gallop, are among their favourite feats, all performed when clad in their thick winter garments!
